

Coalition for Sustainable Nutrition Security in India

Draft: Overview of Structure for the Action Phase

Advisory Group: This group comprises of Ministers and senior Government and scientific leaders, as well as leaders from the private and NGO sectors, media and academia. They review and endorse recommendations from the Action Groups for achieving nutrition security in India.

Steering Committee & Action Groups: This comprises of the Chair, Action Groups Conveners, selected Special Advisors and a Coordinator. This committee is responsible for strategic planning as well as developing and implementing the annual workplan of the Coalition, with a focus on operationalising the Leadership Agenda for Action. The Coordinator ensures sharing of information and interaction among the Secretariat, Action Groups, Steering Committee and Advisory Group.

The Action Groups are responsible to identify key opportunities for promoting the Leadership Agenda for Action, through advocacy, capacity building and other strategic and technical inputs, mainly to government programmes.

Secretariat: Responsible for logistical and administrative support to the Chair, Coalition Steering Committee and Action Groups. Currently supported by USAID.
